

This article summarizes the commentary essay and two research articles comprising the special research forum on "The Social Performance and Responsibilities of Entrepreneurship." A commentary essay by William J. Baumol addresses the social responsibilities of successful entrepreneurs. A research article by Laura J. Spence examines the social responsibilities of small businesses. A research article by Henning Engelke, Stefanie Mauksch, Inga-Lena Darkow, and Heiko von der Gracht examines scenarios for social enterprises in Germany.
